- Take a deep breath to the count of five. - Slowly relax and let the air out for the count of ten. - Repeat this ten times consecutively. - Whilst performing this exercise, close your jaw firmly and clench each hand into a fist. The will is used to collect the physic energy from the infinite source but as soon as you turn your attention to the patient to transfer that energy, the will must become quiescent and the force of love must take over from that point onwards. The act of healing is an act of love. Relieving a Headache. - A headache can be relieved by placing the tips of the first two fingers of your right hand on the left temple of the sufferer and the index and middle finger of the left hand lightly against the right temple.
